Pinord Wineries Organic Wine on sale in the VERITAS Supermarket Chain

Pinord Wineries in Vilafranca del Penedès have launched two organic wines and one cava on the market. These products have been cultivated without the use of herbicides, pesticides, inorganic fertilizers or any other product harmful to the environment. No chemicals or synthetic products were used to elaborate the wines.

Since 2002, **Supermercados Veritas** have been offering consumers more than 4.000 different organic products cultivated or reared with environmentally friendly methods and practices. All these products are 100% natural, free of chemical additives and respectful of the strictest rules governing production and transformation.

With its new **+Natura** brand, **Pinord** bring one new red, one new white and one new cava to the organic wine market. The cava recently won the ESTRELLA DE PLATA (Silver Star Award) en el II Concurso Nacional de Vinos (2nd National Wine Contest) "Ciudad de Estella-Lizarra Hiria", a prestigious event for organic wines.

All these wines can be found on sale in the **Supermercados Veritas**, the largest organic supermarket chain in Spain with 10 outlets in the province of Barcelona:
